

CONFIDENTIAL BUSINESS INFORMATION

All information claimed as CBI in this application (e.g., process, use, production volume, trade information) is exempt according to TSCA section 14(c)(2), with the exception of company name, submitting officials, technical contact and location. We wish to claim this information as CBI in order to avoid any public link between chemical identification information (e.g., name, CAS number, etc) and physical/chemical properties and our company. We are known as a XXXXX company. Thus if a competitor can make a link between the LVE chemical in this application and our business, they will easily be able to conclude what chemicals we are using XXXXXXXXXXXXXXXX.
